FOREWORD

PREFACE

This hand-book written in simple and readable Tamil aims at providing the basic and relevant information for the purpose of enabling the victims of an accident to claim compensation before the Motor Accident Claims Tribunals. It is common knowledge that accidents are on the increase and the victims are exposed to untold agony and misery. It has therefore become necessary to enlighten the general public in order that in case of an accident, they know the basics of procedure for claiming compensation and they are not misled. This hand-book, in particular, incorporates the details as to how and the forum before which, a claim has to be made and also the information for seeking assistance by the victims from the legal services functionaries more effectively.

This hand - book which is 12th in the series of release of hand-books for promoting legal literacy and awareness, I am confident, would serve the purpose in a better way and be of great use to the general public.
